DEDICATION

The Class of 1998 would like to dedicate our yearbook to one of our class advisors, Mr. Matuszak. As advisor he did his best in helping our class achieve it's goals. He kept an open mind and allowed us to explore all of our options. We really appreciate everything you've done for us. You've been a great help to our class. Thank you Mr. Matuszak.

The yearbook staff itself would also like to make a personal dedication of their own to Mrs. Champney. She has guided us through every step of creating this book and has helped us to make it the best it can be. So thank you Mrs. Champney for all of your support and making it a little easier for us.
